I understand and agree to the following:

- ❖ *The NHBAN will assist me by introducing me to an NHBAN Certified Broker — a qualified real estate broker who will professionally coordinate the marketing and sale of my existing home.*
- ❖ *There is no obligation on my part to enter into an agreement with any broker introduced by the NHBAN — I will enter into a marketing/listing agreement only if and when I choose, under terms and conditions agreed to by me and the broker of my choice.*
- ❖ *There are no fees charged to me or my builder by the NHBAN for this assistance — rather, as is customary in the industry, the broker that I select will pay the NHBAN a marketing fee or referral fee for the NHBAN's services when my house is sold at no additional cost to me or my builder.*
